Date: March 2025

FROM THE BLUE ROOM

Just a reminder since the food program is ending. We are reminding parents if your child is bringing any food in, it has to have their name and the date on it. We are going to put it in the cubbies that we put their bottles in. If you have any questions feel free to ask one of us. The bottles still need the child's name, time and dates as well.

Thank you all for allowing us to care for your child and we love each one of them!
