REMINDERS

I am working to put together a family tree in our room which will display pictures of the kids and their families. So far only two families have submitted pictures. I encourage you to send in a picture so it can be included on the board. This is a special thing for the kids as they get to show off their family to their friends. It also helps with separation anxiety because we can show them the family picture as we reassure them that Mommy and Daddy love them very much and will not forget to pick them up at the end of the day. It's also just a fun and interesting activity!

Also, don't forget to send blankets for rest time and an extra change of clothing in case of an accident.

BIBLE TIME

We start off every morning the same way by saying our pledges, which include the Pledge of Allegiance, Pledge to the Christian Flag and the pledge to the Bible. After this we have Bible time.

This month we will be learning about Jesus.
Jesus, a young boy
Jesus goes to the temple
Jesus calls His disciples
Jesus and his first miracle
Jesus and the Samaritan woman
Jesus heals a boy
