BLUE ROOM NEWS

Can you believe that we are half way through the year?
The babies are growing so quickly and learning so much, like walking and sitting up on their own. How exciting things get around our room!!

Just reminder we will have water days on Tuesday weather permitting. If you have any questions free feel to ask one of us. Also checking our folders outside our room.

THANK YOU for allowing us here at Agape to be a part of your child's life.

THEMES
