## BIBLE TIME

This month we will learn about how God created the earth and everything on it.

We will also learn about Adam and Eve and the first sin.

Bible time is a great learning experience for you children. We strive to teach the kids that the Bible is God's love letter to him or her and that it is always true.

## REMINDERS:

As the weather gets warmer we will be going outside more. Don't forget to send jackets suitable for the weather.

Every year we have jackets that go missing or are taken home by the wrong person on accident. It helps so much when you label your child's things.

THANK YOU

## COMING UP:
