## Christmas Party

We will be having a Christmas party on Wednesday, December 17. Students are welcome to wear their Christmas pajamas on this day. We will be making a special craft, having a gift exchange, and enjoying a special snack. We will be serving a sweet treat, a salty treat, fresh fruit, and juice. If you would like to contribute to our snack or provide plates or cups, please email me at willmorek4@gmail.com.

## Gift Exchange

As part of our Christmas party, the students will participate in a gift exchange. Please help your child purchase a small gift of no more than \$5. The gift should be wrapped and have their name on it. The girls should get a gift for girls and the boys should get a gift for boys. During the party, the students will draw names to see who they will give their gift to. Please have the gift at school by Friday, December 12.

## What we are learning

We will be continuing to learn more of our consonants and working on blending them with our vowels. We will also be learning how to write numbers 9 and 10 and counting all the way to 100. If you want to provide extra practice for your child, you can work on counting and pointing out letters and numbers they have learned. Any reinforcement you provide at home will help to ensure your child is getting the most out of their time in K4.
