REVIEWING COLORS AND SHAPES

## COMING UP SOON;

Last day of K3 will be Thursday, May 7. We will be celebrating with a special snack and fun outdoor activities.

Mother's Day will be Sunday, May 10. Happy Mother's Day to all our wonderful Moms!

We will be closed Mon., May 25 in honor of Memorial Day

## AS WE END THE SCHOOL YEAR

The school year is ending soon and boy, did it fly by! We will be sending your child's supplies home. This includes extra clothing, pencil boxes, etc. If your child is going to be here this summer for daycare, I will be switching out winter clothes for summer. I know that some of the kids won't be here this summer and I will miss them. I have totally enjoyed teaching your children this year!

## SUNNY DAYS ARE HERE

This is sunscreen weather! There will be a sign up sheet posted in our class soon that will allow you to give your permission to put sunscreen on your child before we go outside. If you prefer, you can bring your own labeled bottle and we will be sure to apply it.

## BORROWED CLOTHING:

If your child is sent home in borrowed clothing, please be sure to wash and return the items as soon as possible. Thank you.
