Reading Homework

Reading Homework will begin this month. Your child will bring home a reading book once a week. It is important that you sit down with your child and look at the book as he/she is reading so you can see if the words are being read correctly. A more detailed note will be sent home soon.

Valentine's Day Party

Our Valentine's Day Party will be on Wednesday, Feb. 14th. The children will be decorating Valentine bags at school to hold all the cards they will receive from their friends. The bags will be ready by Feb. 7th. The children may bring in their Valentine\$ anytime between Feb. 7th and the day of the party.

Make sure your child brings in a Valentine for everyone in our class.
